Michael may have been widowed and remarried, perhaps a couple times. There may be another generation between Michael and Kazimierz and the subsequent tree may need adjusted. The family built their home about 1830 which was leased from an Hudenycz.

Popiel is the Polish spelling,
Popel and Popil are Ukrainian (Попель) spellings.
It translates to Ashes.

Adalbert remarried probably between 1884 and 1889. Michael's biological mother, Stephen's grandmother is Anastasia Kowalow. By the time Stephen was born Adalbert remarried Pryzendzka
